1. I love you and I give you Me. I give you Me, eyes wide open. I give eyes wide open to only Me and I face you this day, My face in your face, My face in your mirror, My face in My mirror, our face: one. I love you. See Me come forth and behold Me and love Me and let Me love you more. And let Me take hold of your hand more and more and assure you, confidencing you that I am in these words. And that I am bringing you forth boldly into stances of only Me, standing, coming forth in beauty, confided, your significance coming only after confidence--I love you--maturity, freedom; requisites and requirements flourishing. I love you. I give you Me. **My Mighty Me'd ones come forth, My Mighty Me'd ones, My Mighty Many** showing forth not, showing themselves forth not, showing Me and My mighty works, My glory on display, vicariously not, individuality of only Me. I love you. Authentically you: Me--authentically one. I love you. My integrity, My commercialization not, My compromises not, My closets now, My closets not but now on stages; stages seen, boardrooms in corporations operating by Me and My value systems--I love you--Entry point of Me. I love you.
2. I love you and I give you Me. **I always want to share My love. I always want to speak My love and let My Mighty Many know, let My who will be trained, who will training receive and know My entry points, know My points of entry, know what is required, what is restrained, what is allowed, what is prohibited; and, yea, so few rules.** I love you. For I seek the Mighty Many, the mature, those who have come forth; burnished, bronzed, golden in only Me now; reflecting Me, being Me to the point of transparency complete. I love you. My 144,000 and so many more, so unrestricted, not yet on Me, in Me. Coming forth, delivery system of only Me.
3. **Take not the mark and reproduce in only Me, Me, Me. You have to trust Me.** You know My word, My word is true, I lie not, I speak truth and My truth holds all things together by the word of My mouth. Reproduction of only Me unlimited now; yea, My 144,000 replete in Me, reproduction of only Me; leading, leading, seeing and leading, knowing and leading, hearing and leading, having become experienced, tasted and seen, felt My sufferings; yea, know Me intimately--I love you--Intimacy required, maturity prerequisite, obtain, know Me in time with Me. My hand in their hand, your hand in Mine, never leaving. Oh, I forsake you not. I thank you. Thank you. Thank you for not limiting Me, letting Me do, be, reveal Myself completely. I love you.
4. Winds of only Me now turn, change, blow, bring all you need at My knee, as you at My knee remain, live, breathe, move and have your entire being, spherical in Me. I love you. Mapping, spherically imaging Me, imaging Me spherically and seeing My worlds,

donations of only Me, donors of only Me, contributors contrite, contributors humble, contributors obedient. I love you.

5. I come before you with joy. I come before you with laughter. I sing, I sing. I am serious; yes, serious about My laughter, My glorification of My Mighty Many, My Me'd ones who come forth curriculum-ized, your curriculum making curriculum'd by Me. I love you. **My School of The Mighty Many, My School of My New Covenant, My School of I Am that I Am attends as I teach. I attend, I model, I role and I enroll those who want Me; those who have seen Me before; those who come: Yea, tenacity in their blood; Me, Me, Mine, one blood.** Occupation'd by Me, vocation'd by Me, My order, My design written, My maximum potential laid out, described, parameter'd but boundaried not. Into Me see; limit Me not for I limit you not. I give you Me.

6. Humus and humus bearing trees (1) and trees that bear the fruits that you enjoy so much come forth as trees of righteousness you make, who stand, who rooted are on the banks of living waters, flowing now from My throne, rivers rising. Oh, I love you.

7. Riding Me you are; enjoying Me more you are; seriously beginning to smile imperceptibly more, but more; thank you. Perceptibly more, barely, thank you. See Me and allow Me to arise in My laughter, in My emotion, and the joy that only I can bring, the joy that I operate in, the fullness of Me. **Operationally be Me, Me.** Thank you.

8. My Handy come forth, My All Mighty comes forth, My all-provisioned ones come forth; all provision Me be. I love you. Mighty Many, M and M'd in only Me. See Me and see Me smile and enjoy My quips; cantankery containerizing and demolishing; My joy comes forth, My dancers come and My body enjoys Me. I love you. My body enjoys Me now with fury not, but in the tender, agility of the most skilled ballet-er. I love you. Grace, grace of only Me. I love you.

9. **You are coming forth with no lack and no lack will keep you from attending My school. Tell My people, proclaim My message: My no lack school: My body who creates, creates by the word of My mouth, the word of their mouth, the listening ear, the surrendered, nimble heart, the purity and transparency, humility that receives correction, the love that asks for discipline and judgment, the death coming forth in the resurrection before dawn.**

10. Attend My school with no debt and create debt-conquering devices, mammon tainting no more. My oriented to Me, given over to Me, having given themselves to Me in totality, absolute declarations, irreversibly operating in Me and seeing My all-provision in My Covenant: exchanging with Me, Me giving My all, doing what no man can do alone.

11. Now stand, stand, having gird your loins, stand, stand before Me and let Me see you. Stand before Me and let you see Me. Let your eyes behold Me. My in-the-mirror see, see Me and come forth, confidence in only Me.

12. No debt in My school, Kingdom provision, Kingdom of Heaven coming forth, My Father reigns, My Father sees, My Father is, My Father speaks. And I love you, I love Him, We are one. We come forth now and create in classrooms, constellations of networks; yea, **heretofore the world has never seen;** foundation'd, confidence'd; repentance already was, repentance maturing; significant obedience understood, mastered; slave to no man, no rule, no rite, no religion.
13. Slave to Me? My friend. Mature in Me and arise. I love you.
14. There is no debt in Me, I am a debtor to no one, **I arise creativity, I arise scholarship, I teach tenacity, I teach love, I teach Me: All-conquering ones operating with all-provision, globally and beyond, limit Me not.** I love you.
15. Alliances, arrangements and agreements; yea, with many schools; lifting, elevating, promoting, cross-pollination only the beginning; My partnerships, the future sinew'd with only Me. I love you.
- Goodnight.

Footnote:

(1) Think of this paragraph, in light of the fact that, later the next day, Saturday, I received a call from a man who invited me to coffee. He came and got me and, arriving in the parking lot of the coffee shop said, let's go to my house and I'll fix you tea there. After we had tea, he decided to fix us a snack. He fixed humus from all the ingredients. We then sat together in his living room eating our fill of carrots and humus. It was superb and I ate a peck of it. But you see, please see, this was about much more than humus. The kindness of the Lord is beyond anything we have ever been told or let to believe. That day, he and I had a conversation that was a gift of God.
